

# Interesting Conferences and Exhibitions 2008

February, 19 - 21	<a href="#"><u>EMV – International Exhibition and Conference on Electromagnetic Compatibility</u></a>	Dusseldorf / Germany
February, 24 – 28	<a href="#"><u>APEC - Applied Power Electronics Conference and Exposition</u></a>	Austin TX / USA
March, 11 -13	<a href="#"><u>CIPS 2008 - 5th International Conference on Integrated Power Electronics Systems</u></a>	Nuremberg / Germany
March, 18 – 20	<a href="#"><u>PCIM China – Power Conversion Intelligent Motion Conference and Exhibition</u></a>	Shanghai / China
April, 02 – 04	<a href="#"><u>PEMD 2008 - International Conference on Power Electronics, Machines and Drives</u></a>	York, UK
May, 06 – 08	<a href="#"><u>Sensor + Test – The Measurement Fair</u></a>	Nuremberg / Germany
May, 27 – 29	<a href="#"><u>PCIM Europe - Power Conversion Intelligent Motion Conference and Exhibition</u></a>	Nuremberg / Germany
June, 03 – 05	<a href="#"><u>SMT/HYBRID/PACKAGING - System Integration in Micro Electronics</u></a>	Nuremberg / Germany
June, 11 -13	<a href="#"><u>SPEEDAM – Int. Symposium on Power Electronics, Electrical Drives, Automation and Motion</u></a>	Ischia, Italy
June, 15 – 19	<a href="#"><u>PESC - Power Electronics Specialists Conference</u></a>	Rhodes, Greece
September, 01 – 03	<a href="#"><u>EPE-PEMC – International Power Electronics and Motion Control Conference</u></a>	Poznan / Poland
Sept., 29 – Oct., 02	<a href="#"><u>ESREF - European Symposium Reliability of Electron Devices, Failure Physics and Analysis</u></a>	Maastricht / Netherlands
November, 10 – 13	<a href="#"><u>IECON'08 - Annual Conference of the IEEE Industrial Electronics Society</u></a>	Orlando FL / USA
November, 25 – 27	<a href="#"><u>SPS/IPC/DRIVES – Electric Automation, Systems and Components</u></a>	Nuremberg / Germany
