Call for Papers

Connecting bright minds.

mesago
Messe Frankfurt Group

Become a Speaker

You are a forward-thinking expert in the field of power electronics and would like to inspire an audience of more than 800 conference attendees with your latest developments and research findings?

Join us at the PCIM Europe Conference and Exhibition 2022 in Nuremberg and inspire others with your ideas!

Why be a speaker?

- Publication of your paper in the PCIM Europe proceedings, IET Inspec-Direct, Compendex, Scopus and IEEEExplore
- Receive access to the accompanying exhibition
- Connect and engage with fellow professionals
- Gain a unique industry overview

Dates to remember

- **Submission of abstracts** by 15 October 2021
- **Notification of acceptance** January 2022
- **Submission of full manuscript** by 2 March 2022

Submission requirements available at [pcim-europe.com](https://www.pcim-europe.com)

Topics

- Power Semiconductors
- Thermal Management
- Packaging and Interconnection Materials
- Packaging and Reliability in Packaging
- Control and Drive Strategies in
- Power Converters
- Low Power Electronic Converters
- High Power Electronic Converters
- Power Electronics in
- Transportation Applications
- Motors and Actuators
- Control Techniques in Electrical Drives
- Motion Control and Drives in Automation
- New and Renewable Energy Systems
- Energy Storage Systems
- Power Systems and Smart Grids
- Power Quality and EMC
- Design Tools and Applications
- Transducers and Sensors
- Passive Components
- System Reliability
- Cybersecurity and Connected
- Power Electronics

All topics and subsections at [pcim-europe.com](https://www.pcim-europe.com)

Awards

pcim Europe
Best Paper Award

Best Paper Award

Three submission will be honored with the »Best Paper Award«. Each prize is worth 1,000 Euro.

pcim Europe
Young Engineer Award

Young Engineer Awards

Apply for the »Young Engineer Award« if you are an engineer and not older than 30 years. The winner will receive 1,000 Euro.

pcim Europe
Young Researcher Award

Young Researcher Award

The main author of one outstanding contribution from academia and research institutions, who is not older than 30 years will be honored with the »Young Researcher Award«. The prize is worth 1,000 Euro.

PCIM Europe offers supplemental **travel grants for students**
All details at pcim-europe.com.

Board of Directors

Leo Lorenz, General Conference Director, ECPE, Germany

Silvio Colombi, ABB, Switzerland

Drazen Dujic, Power Electronics Laboratory, EPFL, Switzerland

Eric Favre, IMI-Precision Engineering, Switzerland

Johann Walter Kolar, ETH Zurich, Switzerland

Philippe Ladoux, University of Toulouse, France

Josef Lutz, Chemnitz University of Technology, Germany

Uwe Scheuermann, Semikron Elektronik, Germany
