Nuremberg, Germany

**CALL FOR
PAPERS**

Messe Frankfurt Group

Become a speaker

Are you a forward-thinking expert in the field of power electronics with a desire to inspire an audience of more than 700 conference attendees with your latest developments and research findings?

Join us at the PCIM Europe Conference 2023 in Nuremberg!

Why be a speaker?

- Have your paper published in the PCIM Europe proceedings, IET Inspec-Direct, Compendex, Knovel, Scopus, and IEEEExplore
- Presentation of scientific work on developments and research results
- Receive access to the accompanying exhibition
- Connect and engage with fellow professionals
- Gain a unique industry overview

Dates to remember

- **Submission of abstracts** by 18 October 2022
- **Notification of acceptance** January 2023
- **Submission of full manuscript** by 1 March 2023

Topics

- Power Semiconductors
- Thermal Management
- Packaging and Interconnection Materials
- Packaging and Reliability in Packaging
- Control and Drive Strategies in Power Converters
- Low Power Electronic Converters
- High Power Electronic Converters
- Power Electronics in Transportation Applications
- Motors and Actuators
- Control Techniques in Electrical Drives
- Motion Control and Drives in Automation
- New and Renewable Energy Systems
- Energy Storage Systems
- Power Systems and Smart Grids
- Power Quality and EMC
- Design Tools and Applications
- Transducers and Sensors
- Passive Components
- System Reliability
- Cybersecurity and Connected Power Electronics

Submission requirements and all conference topics at pcim-europe.com

Awards

pcim Europe
Best Paper Award

Best Paper Award

Three submissions will be honored with the Best Paper Award. Each prize is worth 1,000 Euro.

pcim Europe
Young Engineer Award

Young Engineer Awards

Apply for the Young Engineer Award if you are an engineer and not older than 30 years. The winner will receive 1,000 Euro.

pcim Europe
Young Researcher Award

Young Researcher Award

The main author of one outstanding contribution from academia and research institutions, who is not older than 30 years, will be honored with the Young Researcher Award. The prize is worth 1,000 Euro.

PCIM Europe offers supplemental travel grants for students. More details at pcim-europe.com

Board of directors

Leo Lorenz, General Conference Director, ECPE, Germany

Silvio Colombi, ABB, Switzerland

Drazen Dujic, Power Electronics Laboratory, EPFL, Switzerland

Eric Favre, IMI-Precision Engineering, Switzerland

Marc Hiller, Karlsruhe Institute of Technology, Germany

Johann Walter Kolar, ETH Zurich, Switzerland

Philippe Ladoux, University of Toulouse, France

Josef Lutz, Chemnitz University of Technology, Germany

Frank Osterwald, Gesellschaft für Energie und Klimaschutz Schleswig-Holstein, Germany

Uwe Scheuermann, Semikron Elektronik, Germany
