# ECCE EUROPE 2026: A WARM WELCOME TO VALENCIA!

We are pleased to extend a warm welcome to you for the 2026 Energy Conversion Congress & Expo Europe (ECCE Europe 2026), taking place in the city of Valencia, Spain. Spain has a strong and active community in the field of energy and industrial electronics, with relevant achievements both in academia and industry. As part of this community, we are pleased to be hosting ECCE Europe 2026 in our country. We are confident that you will find inspiration not only in the technical sessions but also in this beautiful Spanish city by the sea.

Energy conversion technologies, and especially power electronics, are key tools for European society and industry in their efforts to sustain the momentum achieved in the energy transition process. This is particularly relevant in the context of ambitious decarbonization efforts, geopolitical changes and technological shifts. All stakeholders involved in the Electric Revolution should continue to prioritize collaboration and innovation in order to achieve our societal goals.

ECCE Europe 2026 is an unparalleled platform for networking, collaboration, and knowledge exchange among leading professionals, academics, and researchers from around the globe. Our technical programme is meticulously crafted to showcase the latest advancements, research breakthroughs, and emerging trends in energy conversion. This year's ECCE Europe event will feature a range of sessions, including high-quality plenary speeches, keynote presentations, tutorials and an exciting exposition. We invite you to engage with your peers, share your expertise and discover new opportunities for innovation.

We are looking forward to meeting you in Valencia, where we can work together to shape the future of energy conversion.

# GENERAL INFORMATION

**Conference Venue:**

València Conference Centre / Palacio de Congresos  
Avinguda de les Corts Valencianes, 60, 46015 València  
<https://palcongres-vlc.com/en/>

**Conference Website:**

[www.ecce-europe.org](http://www.ecce-europe.org)

**Conference Dates:**

Monday, 14 September to Friday, 18 September 2026

**Tutorials:**

Monday, 14 September 2026

**Welcome Reception:**

Tuesday, 15 September 2026

**Lecture & Dialogue Sessions:**

Tuesday, 15 September to Thursday, 17 September 2026

**Conference Dinner:**

Wednesday, 16 September 2026

**Technical Visits:**

Friday, 18 September 2025

**General Chairs:**

Prof. Pablo Zumel Vaquero  
Prof. Cristina Fernández Herrero  
both Universidad Carlos III de Madrid, ES

**Honorary Chair:**

Prof. Enrique Dede, em. Prof. Universitat de València, ES

**TPC Chairs:**

Prof. Thiago Batista Soeiro, University of Twente, NL  
Prof. Miroslav Vasić, Universidad Politécnica de Madrid, ES

**Exhibition Chairs:**

Thomas Harder, ECPE European Center for Power  
Electronics e.V., Nuremberg, Germany

# ECCE EUROPE 2026 CONFERENCE

## Aim of the conference

Power electronics is one of the key technologies to tackle the key challenges of mankind: climate change and sustainability. Therefore, we will move into an electric age, where more and more processes will be electrified, and the use of renewable energy will be the fundament of our future energy backbone.

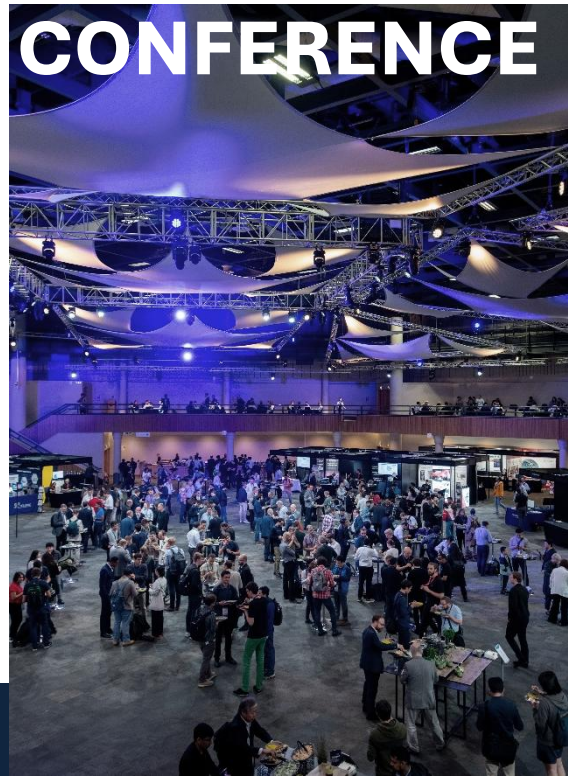

The ECCE Energy Conversion Congress & Expo series of power electronics conferences are among the largest in the world, and ECCE Europe claims to become the flagship conference in Europe for power electronics, attracting many hundred experts from Europe and other regions of the world.

ECCE Europe 2026 is aimed at exchanging ideas and experience among senior professionals, young scientists, PhD candidates and researchers from industry and academia in all areas of power electronics. During ECCE Europe 2026 in Valencia there will be opportunities to converse about topics in our wonderful area of work, through lecture- and dialogue sessions, industrial forums and exhibition, technical tours and tutorials.

## List of Topics

On top of the tutorials, lecture and dialogue sessions, and technical visits, the organizing committees will propose several industrial forum sessions with panel discussions as well as special sessions of power electronics related topics and trends.

ECCE Europe 2026 will highlight the following Focus Topics, not only in dedicated lecture and dialogue sessions of the conference but also in keynotes, the exhibition, panel discussions, tutorials and technical visits. Technical papers are solicited on any subject pertaining to the scope of the conference including, but not limited to, the following major topics.

## MAJOR TOPICS

1. Power Devices, Components, Packaging and Sustainability
2. Power Converters Topologies
3. Converter Modelling, Simulation and Adv. Design Methodologies
4. Measurement, Supervision and Control for Power Converters
5. Electrical Machines and Drive Systems
6. Renewable Energy Power Systems
7. Power Electronics in Transmission and Distribution Systems
8. E-Mobility and Propulsion Systems
9. Power Electronics Specific Applications

The complete list including the sub-topics will be published in the Call-for-Papers and on the conference website: [www.ecce-europe.org](http://www.ecce-europe.org)

# SPONSORSHIP AND EXHIBITION OPPORTUNITIES

## PLATINUM

(exclusive, only one platinum sponsor)

- One exhibition space of 18 m<sup>2</sup> (6m x 3m), including the standard package
- Eight exhibitor passes (coffee-break, lunch and welcome reception included)
- Four ECCE Europe Conference registrations
- Company logo on the sponsors page of the conference website
- Company logo on the on-site sponsorship wall
- Logo and advertisement page in the on-site booklet
- Two banners in the ECCE Europe Newsletter
- Three posts on the ECCE Europe LinkedIn® Page

Price **50 000€** excl. VAT

## GOLD

- One exhibition space of 12 m<sup>2</sup> (4m x 3m), including the standard package
- Six exhibitor passes (coffee-break, lunch and welcome reception included)
- Three ECCE Europe Conference registrations
- Company logo on the sponsors page of the conference website
- Company logo on the on-site sponsorship wall
- Logo and advertisement page in the on-site booklet
- Two banners in the ECCE Europe Newsletter
- Three posts on the ECCE Europe LinkedIn® Page

Price **25 000€** excl. VAT

## SILVER

- One exhibition space of 9 m<sup>2</sup> (3m x 3m), including the standard package
- Four exhibitor passes (coffee-break, lunch and welcome reception included)
- Two ECCE Europe Conference registrations
- Company logo on the sponsors page of the conference website
- Company logo on the on-site sponsorship wall
- Logo and advertisement page in the on-site booklet
- One banner in the ECCE Europe Newsletter
- Two posts on the ECCE Europe LinkedIn® Page

Price **13 500€** excl. VAT

## CONTRIBUTOR

- One exhibition space of 6 m<sup>2</sup> (3m x 2m), including the standard package
- Three exhibitor passes (coffee-break, lunch and welcome reception included)
- One ECCE Europe Conference registration
- Company logo on the sponsors page of the conference website
- Company logo on the on-site sponsorship wall and in the on-site booklet
- One banner in the ECCE Europe Newsletter
- One post on the ECCE Europe LinkedIn® Page

Price **7 000€** excl. VAT

Discounts for exhibitors

10% for recurring exhibitors, small or medium sized enterprises (SMEs), Universities/Institutes

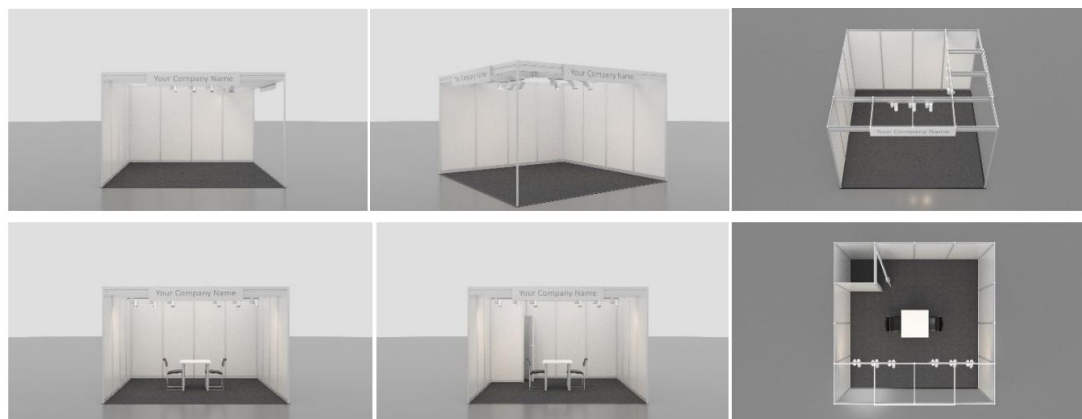

### Additional options:

1-Day Visitor Ticket	170 € <small>excl. VAT</small>
3-Day Exhibitor Pass	450 € <small>excl. VAT</small>

Online registration platform: <https://ecce-europe-2026.kcmweb.de>

### Example of a 4x4m stand

(Please note: lengths and depths vary depending on the stand size and the space available on site)

# APPLICATION AND PAYMENT FOR SPONSORSHIP AND EXHIBITION

## Application

Contact:

Thomas Harder, ECPE e.V., +49(0)911 810288-0,  
[thomas.harder@ecpe.org](mailto:thomas.harder@ecpe.org) or  
Corinna Rogalla, KCM Kenzler Conf. Management,  
[info@ecce-europe.org](mailto:info@ecce-europe.org)

Companies and institutions interested in getting involved as exhibitor or sponsor can select their exhibition stand using the online registration platform: <https://ecce-europe-2026.kcmweb.de>. Your requested additional stand equipment can also be booked in this online tool.

## Confirmation and Payment

The local organization Kenzler Conference Management (KCM) will, as far as possible, consider the requests from sponsors and exhibitors when allocating stand numbers. However, the conference organizer does not guarantee that the stand requested will be available and/or will be assigned. Assignments will be made only after the appropriate payment (100% of total amount payable upon receipt of the invoice).

Confirmation of your sponsorship and stand space as well as of the desired stand number will be mailed to you. However, we reserve the right to relocate the stand on site if necessary. We will of course inform you about this in advance.

## VAT (Tax)

All prices are listed in Euro (€) without VAT. Current ES VAT rate is 21 % (as of October 2025).

## Contract and Cancellation

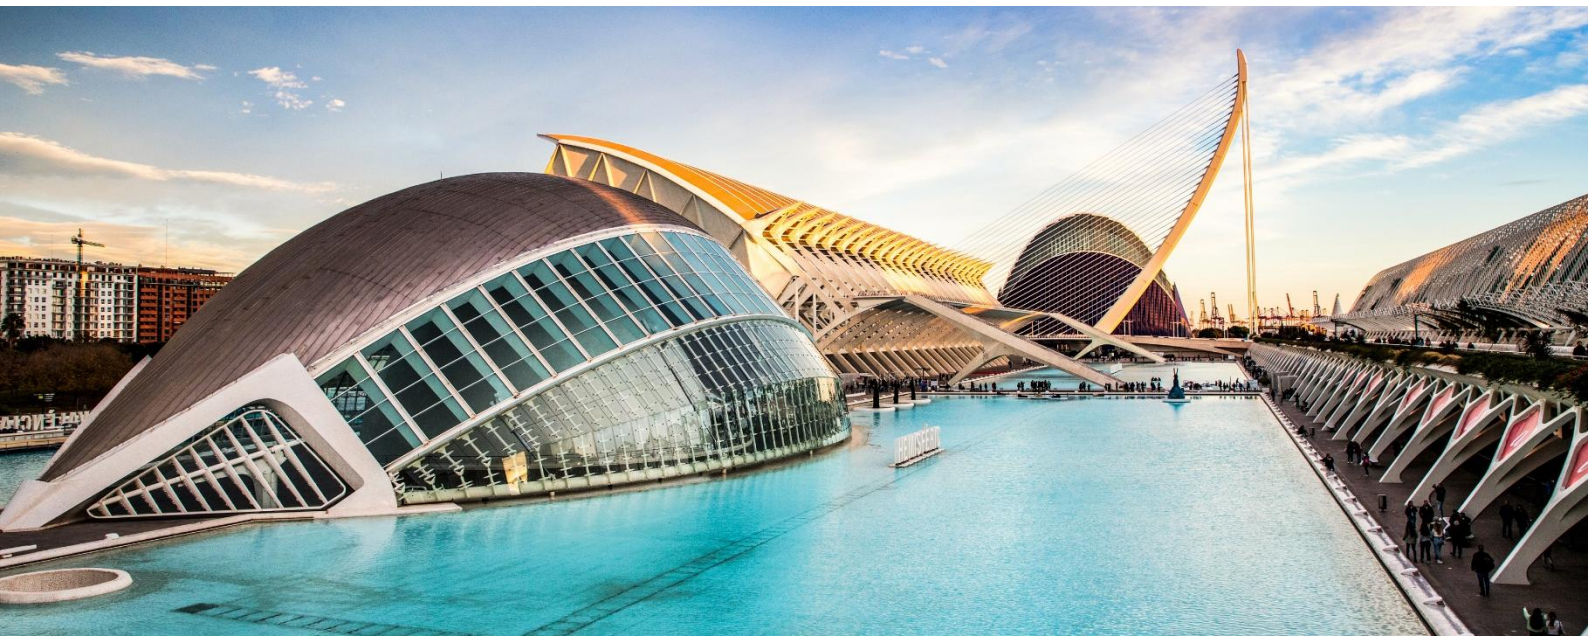

A sponsoring agreement will be sent after the receipt of the application. KCM will send an offer and/or a contract upon request.

## Contract and Cancellation

Companies exhibiting at the ECCE Europe 2026 are required to take out an appropriate insurance (liability insurance), and to send a copy to KCM.

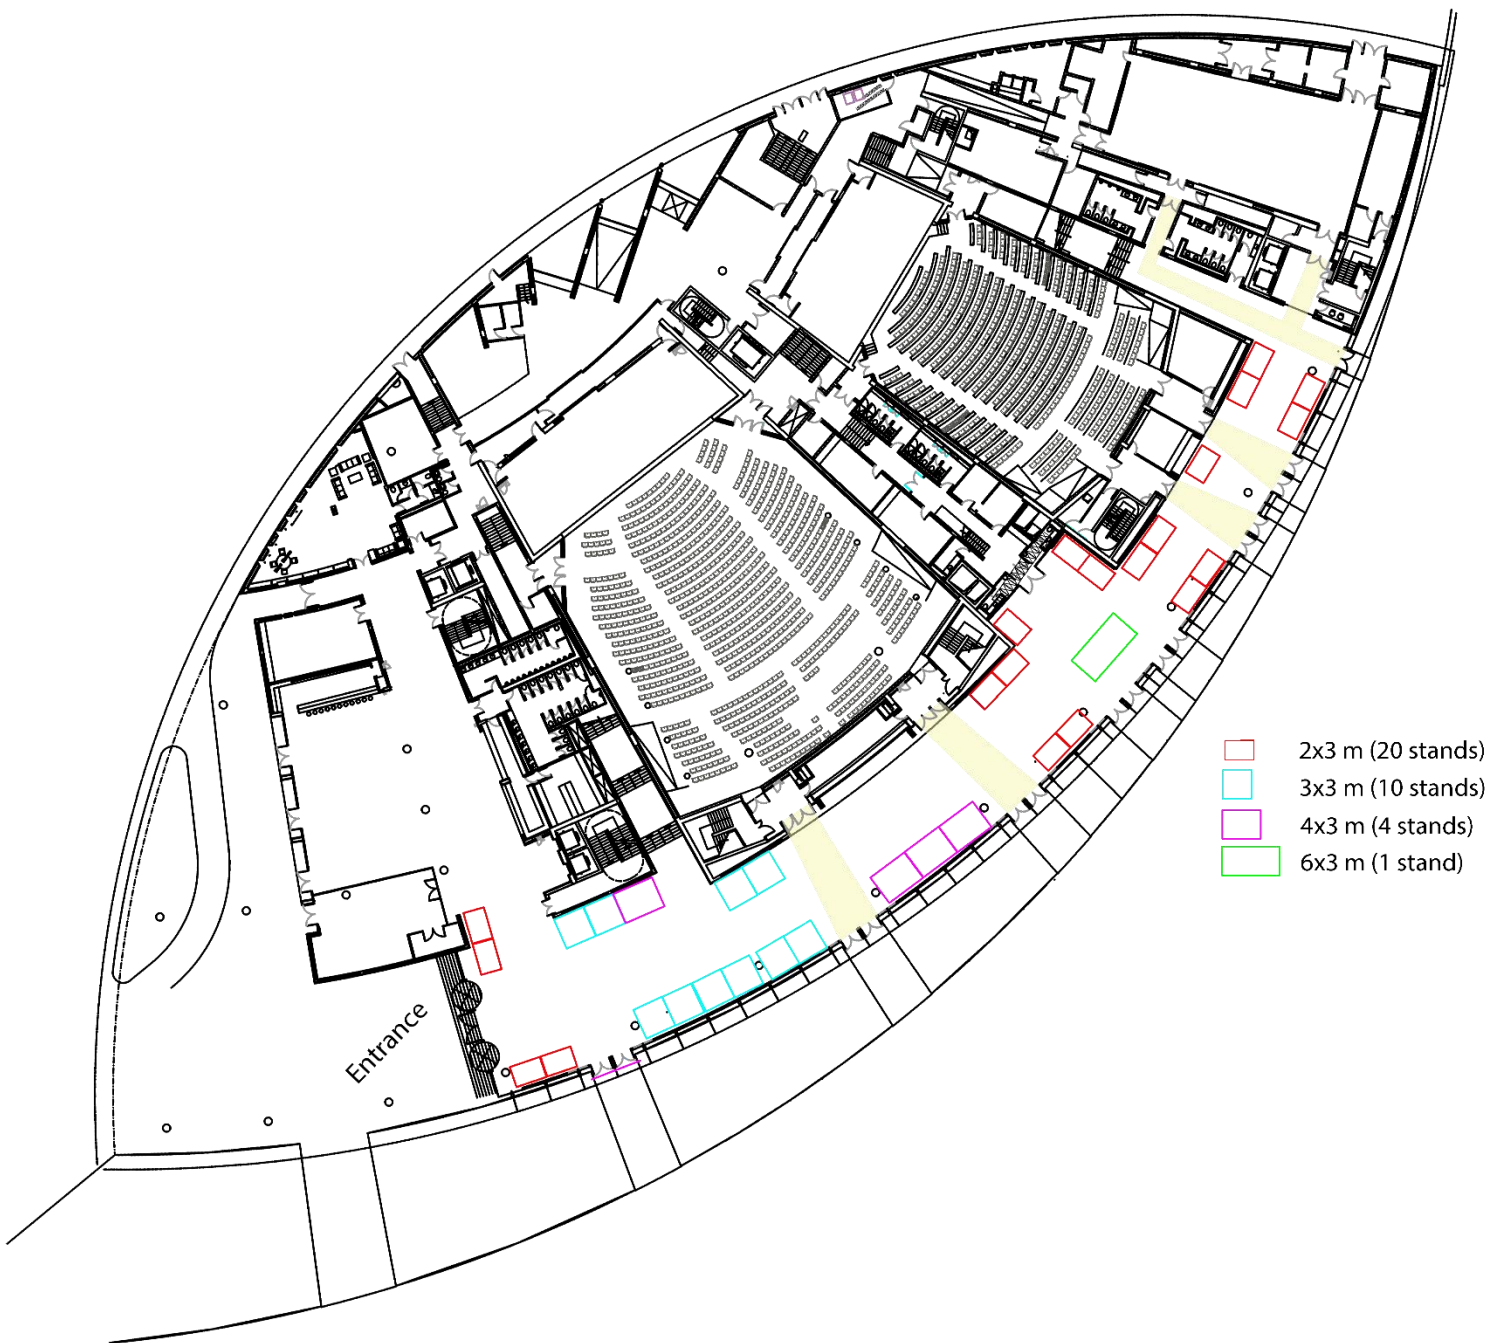

## Disclaimer

As from the normal publication delays, in the summer period, the organizers cannot guarantee that the full visibility, as described in the packages will be available for bookings after 11th of July 2026. The organizers will make all efforts to propose acceptable alternatives in case the normal service is not available anymore.
